

NSHE
Campus Technology Officer Meeting
January 14, 2009
1:00– 2:30 p.m.

Minutes

ROLL CALL:

The meeting was attended by Kenneth McCollum, Susan Bunyan, Steve Zink, Steve Zideck and Don Moxley.

Advisory Board Update:

Kenneth stated the AB has not met since the last CTO meeting so there was no update, however, a meeting with Phil Goldstein is currently being scheduled for some time in February. Phil will be meeting with the AB to help lay out the rules of governance for SCS.

WNC web page incorporation:

Don Moxley stated they spoke to GBC about student e-mail. The subject of web pages came up and GBC stated they had already moved their web pages to WebCT for the handful of faculty that use them. WNC will be doing the same to their web pages to resolve the web page issue.

Letter from Governor Gibbons:

Susan Bunyan reminded everyone of the e-mail she sent out a few days ago about DoIT's request of Executive Vice Chancellor Klaich. DoIT requested Dan Klaich distribute a letter to all NSHE employees on Thursday January 15, 2009. She informed Dan Klaich it was a per institution issue and would require feedback from the institutions before SCS could distribute it. Susan needs to know who she needs to send the letter to so that he/she may then distribute it to their staff. So far she's heard from Steve Zideck (UNR), Brian Chongtai (NSC) and Ed Novak (DRI) and still needs to hear from the other institutions. Don Moxley said he'd be the point of contact for WNC and Steve Zink would take care of TMCC.

Introduction of Bob Moulton:

Kenneth introduced Bob Moulton to the CTO's. Bob stated he would be introducing himself personally and have a one-on-one with each CTO.
