CTO Face-to-Face Meeting Agenda

Day 2: April 21, 2011

8:00am Continental Breakfast; Bible Conference Room; UNR Knowledge Center

8:30 am Guest Speaker (invited NSHE or outside speaker/presenter) **(please select your preference from the nominations/suggestions submitted)**

1. NSC – would be interested in Adoption & integration of mobile devices with existing campus technology; or Implementing & Managing single-sign-on/centralized authentication.
2. TMCC – David Duffield, former Chairman and Co-founder of PeopleSoft, now Founder of Workday, a cloud based HR SaaS solution. (Mr. Duffield lives at Lake Tahoe)
3. CSN - Security Speaker from McAfee

9:45 am Product Demonstration ---**(the following product demonstrations were suggested by the group. Please narrow to your top 2 and we will contact them as to availability)**

- i. iStrategy (now Blackboard Analytics)(Datawarehousing portal for Peoplesoft that they built for CSU-Stanilus) (VC Delmont)
- ii. Campus Cruiser-would like to show how multiple LMS looks the common for faculty and students when they move from campus to campus. (NSC)
- iii. Amazon S3 Cloud storage demonstration (NSC)
- iv. Blackboard Learn (NSC)
- v. Kace/Kbox (GBC)
- vi. Identity Automation (authentication solution) (GBC)
- vii. Desktop Video Conferencing (no vendor identified) (TMCC)
- viii. Cloud based SaaS Solutions (such as Workday, see above?) (TMCC)
- ix. Telepresence – Cisco (CSN)
- x. SIP Trunking - CenturyLink (Unified communications) – (CSN – they are seriously considering this solution)

11:30am Wrap-up / Adjourn Meeting
